See the license for more details, but that basically means you can share this book as long as you credit the author (but see below), don't make money from it, and do make it available to everyone else under the same terms.

This content was accessible as of December 29, 2012, and it was downloaded then by Andy Schmitz (<http://lardbucket.org>) in an effort to preserve the availability of this book.

Normally, the author and publisher would be credited here. However, the publisher has asked for the customary Creative Commons attribution to the original publisher, authors, title, and book URI to be removed. Additionally, per the publisher's request, their name has been removed in some passages. More information is available on this project's attribution page ([http://2012books.lardbucket.org/attribution.html?utm\\_source=header](http://2012books.lardbucket.org/attribution.html?utm_source=header)).

# Acknowledgments

I want to thank everyone at Unnamed Publisher for making this type of textbook possible. Special thanks go to Michael Boezi, Vanessa Gennarelli, and their entire production team, who all worked hard to bring this book into publication. Recognition is also in order of the many geography colleagues who reviewed some or all of the text. Their input, feedback, and suggestions were important, helpful, and appreciated. They include the following:

- Victoria Alapo, Metropolitan Community College
- Greg Atkinson, Tarleton State University
- Ana Veronica Behn Eschenburg, Yavapai College
- Juliegh Bookout, Michigan State University
- Michael Busby, Murray State University
- Helen Couclelis, UC Santa Barbara
- Bradley J. Davis, Tarrant County Community Colleges
- Catherine Doenges, University of Connecticut at Stamford
- Adrienne Domas Goldsberry, Michigan State University
- Art Houser, Fort Scott Community College
- Wilbur Hugli, University of West Florida
- Michael Lynch, University of Arkansas at Pine Bluff
- William Miller, Tarrant County College
- Peter Muller, University of Miami
- Douglas Munki, University of North Dakota
- Paul Phillips, Fort Hays State University
- Craig Revels, Central Washington University

In assembling this textbook, I am indebted to Dr. Esther Ratajeski for her contribution to the chapters on North America and Russia, and for her editorial support for other parts of the textbook. I would like to extend my deep appreciation to my students who provided feedback on the maps, graphics, and content. My students have provided the greatest inspiration to write and publish this textbook. Geography faculty members at Morehead State University and my colleagues Drs. Jason Holcomb, Gary O'Dell and Verdie Craig have been a pillar of support that has made this effort possible.

An important acknowledgment goes to my closest associate Dr. Rufus Alexander for his unwavering inspiration. Final and special thanks go to Mary Berglee for not only her invaluable personal support but for her vital editorial contribution to this academic work. Thanks to you all.
